

The OPCC has worked with this organisation for six years and would like to promote their opportunity to you. Please see the detail below:

The applications to our free, online, four-week long Stand Out programme are now open. The link to our application form can be found [here](#). The deadline is 27th September.

If young people have any difficulty completing the form they can contact UpRising and with the young person's consent, a team member would be more than happy to help them complete the application form.

Powered by:

We are also running information events for young people who want to find out more about the programme. To sign up, they can head to: <https://www.eventbrite.co.uk/e/stand-out-employability-skills-programme-information-event-tickets-166909439627>
