Dear Janet

We held a planning meeting last week and discussed ideas for the Queen's Platinum jubilee. We'd like to hold a Party in the Park on the recreation ground on Saturday June 4th along the lines of our usual Party in the Park, but running a little later so that we can maybe light the beacon we bought for the Queen's 90th Birthday celebrations.

We are also thinking of running the scarecrow festival at the same time with a royal theme, and hold a competition on the day for the best dressed family.

We were wondering if it would be possible for the council to decorate the lamp posts along the High Street/ Hitchin Road with red/white/blue decorations for the week running up to the Jubilee?

We do have some other ideas as well! What kind of contribution are the council thinking of making to any events??
