Date rec'd	Appl. No	Address	Details	ATC position	ATC Comments	CBC Decision Granted/ Refused	Date of Decision
07/02/24	CB/23/04028/FULL	Arlesey Landfill Site, Mill Lane, Arlesey SG15 6RF	Change of use of two existing buildings from sui generis to class B2 (general industrial) together with associated yards, parking and landscaping	No objection	As per previous no objection	Granted	11/12/24
16/04/24	CB/24/01029/RM	Land at Lewis Lane, Lewis Lane, Arlesey, SG15 6FB	Reserved Matters: following Outline Application CB/19/00201/OUT) OA for up to 80 dwellings. Matters to be considered: Access Submission of RM for 71 dwellings & associated ancillary works, pursuant to OP permission CB/19/00201/OUT & OUTLINE CONDITIONS 7,14,15,16,17,18 & 21		Access/egress to the development should be from the newly installed relief road • Contravenes adopted Neighbourhood Plan policy ARL5 as would exacerbate pre-existing traffic issues at this pinch point onto the High Street • Detriment to amenity of existing properties • Policy HA4 of Local Plan states qualifying sites of 10 or more units will provide 30% affordable housing- this development would require 21 units under this policy, with "affordable units dispersed throughout the site and integrated with the market housing to promote community cohesion and tenure blindness". The current plan clusters affordable units in the southern corner therefore contravening policy HA4 • Reduced/impacted vision splays when accessing High Street from proposed development due to existing on street parking issues • No offset of parking loss for Rose Cottages within the development will cause further on street congestion/hazards. • Future highway access proposed in the southeast of the development to access the new relief road (if this were to become available for development) would be better located in Northeast corner. • No evidence of biodiversity uplift plan • Retained/proposed biodiversity within the development appears to fall under management of residential properties as incorporated into boundaries. This would not protect for trees/hedgerow for the required 30 years as is legally required. • S106 agreement outdated and needs re-negotiating • Development		Awaiting Decision
22/03/24	CB/24/00469/MW	Arlesey Landfill Site, Mill Lane	Erection of a reserve osmosis treatment plant with welfare & storage containers.	No Objection		Granted	09/12/24
15/01/24	CB/23/03541/OUT Amendment (See below entry)	129 High Street, Arlesey SG15 6SX	Outline application with all matters reserved except means of access, for the demolition of 2 existing dwellings & erection of 64 bed care home (C2 use) & up to 103 dwellings (C3 use) a new vehicular & Pedestrian access of High Street, public open space, sustainable drainage systems & all ancillary	Object	Council request a condition to be applied to application that High Street access be permitted as temporary vehicle access whilst relief road to the west is being delivered & following relief road completion this temporary access/egress be restricted to pedestrian/cycle access only & closed off with installation of bollards or removed & grassed over to prevent continued vehicular access.		Consultation Period
24/11/23	CB/23/03532/FULL	Land at 129 & 131 High Street & to rear of 112 Cricketers Road to 149 High Street, Arlesey	Demolition of 2 existing dwellings & erection of 22 affordable homes (C3 use) with new vehicular & pedestrian accesses off High Street & Cricketers Road, public open space & all ancillary infrastructure.	Object	until western relief road is delivered in entirety no further access/egress should be made via High Street for long term. Negative impact on amenity of neighbouring properties of vehicle access from increased noise & pollution accessing development alongside existing houses. Negative impact of additional weight of traffic on to High Street. Close proximity to lower & pre-School Medical & Community Centre will add to danger posed to pedestrians & road users.. Should application be granted ATC submit request for condition- High Street be bollarded/closed off following development delivery to prevent vehicular access.		Awaiting Decision
20/11/23	CB/23/02409/FULL	Land adjacent to 197 Hitchin Road, Arlesey	Application for FULL planning permission for the change of use to a 10 pitch traveller site comprising 1 mobile home & 1 touring caravan per pitch with 2 dayrooms to the rear of the site & associated operational development.	Object	not all existing spaces are currently rented to G&T community but private individuals which shows lack of need for additional pitches: Existing G&T site has recently applied for change of use to residential- due to no requirement for additional pitched : increase in volume of traffic onto national speed limit road (Policy ARL Neighbourhood plan): Contravention of policy ATL1 of NP as development is outside settlement: contravention of Planning policy for Travellers sites 2015 c(14) relating to rural areas & countryside which states the scale of site must not dominate the nearest settled community. Woodview Lodge site would neighbour the new pitches requested would dominate the most southern end of Arlesey.	Refused	15/01/25

06/11/23	CB/23/03541/OUT	129 High Street, Arlesey SG15 6SX	Outline application with all matters reserved except means of access, for the demolition of 2 existing dwellings & erection of 64 bed care home (C2 use) & up tp 103 dwellings (C3 use) a new vehicular & pedestrian access of f Hig Street, public open space, sustainable drainage systems & all ancillary infrastructure.	Object	Until relief road on west side is delivered in entirety (connecting behind the White Horse) no further access/egress should be made via the High Street for the long term. If permission is granted Town Council submit a request for the following condition to be applied: That the High Street vehicular access/egress should be bollarded/close off following development delivery preventing cars/motor vehicles accessing whilst retaining access for bicycles, pedestrians , mobility vehicles etc.		Awaiting Decision
