Good Afternoon Janet,

I'd be very happy to assist with this. For carrying out the reinstatement cost assessments on both the cemetery storeroom and the MUGA pavilion, our fee would be £650 plus VAT. This would include site inspections of both buildings and the preparation of detailed BCIS-based insurance calculations to confirm appropriate levels of cover.

Before confirming, may I just check whether either of the buildings is listed or of non-standard construction, such as timber frame or prefabricated? That will help ensure the assessment properly reflects their build type and reinstatement complexity.

Kind Regards
